Memo

To: ICIS RFP Mandatory Pre Bid Meeting Attendees
From: State of Delaware
Division of Corporations

Date: December 21, 2007
Re: Extension to Submission Deadline to Incorporate Newly Released UML Diagrams

The Deadline To Submit Proposals Has Been Extended to 4:00 PM January 31, 2008.

Any vendor that attended the mandatory pre bid meeting on October 29, 2007 may submit a proposal for this project. Anyone not having attended the pre bid meeting is disqualified from submission.

The ICIS RFP (Published October 8, 2007) and associated public notice (Published October 8, 2007 and October 15, 2007) stated that the "Deadline for receipt of Proposals" was "November 21, 2007, 3:00 PM EST."

Addendum 1 published November 08, 2007 extended that deadline to December 07, 2007.

Addendum 2 published December 06, 2007 extended that deadline to January 07, 2008.

To address a large number of requests for additional time to incorporate the newly released UML workflow diagrams into their proposals, the Delaware Division of Corporations hereby extends the submission date to January 31, 2008 at 4 PM EST.

Vendors having attended the mandatory pre-bid meeting may submit clarifying questions up to 7 days prior to the revised submission deadline.

All other terms and conditions remain the same.

James A. Harmon
